LET US TAKE YOUR HUNGER ON A JOY RIDE AFTER THE RACE!

LITTLE 500

April 15-16, 2005

Little 500...

\$10.95
**BIG TEN
BARGAIN**

LARGE ONE-TOPPING PIZZA, TWO DRINKS, AND BREADSTIX

It's good, but not quite as good as a steaming hot pie from Pizza Express...which is kinda like hot sex on a platter. Well, maybe not as good as hot sex on a platter, but damn close. And

probably a lot cheaper than hot sex on a platter. Of course you probably don't need a coupon for hot sex on a platter either, so a steaming hot pie from Pizza Express IS a lot like hot sex on a platter... in the sense that coupons are not needed. But I must admit that a steaming hot pie from Pizza Express is far easier to get than hot sex on a platter. I mean, have you ever tried to order hot sex on a platter from your girlfriend? It's damn near impossible, unless you've got a really freaky-deaky girlfriend. So you might as well just go watch the Little 500, then order a delicious steaming hot pie from Pizza Express. And forget about the sex. For now.
